## Indiana Mortgage Bankers Association Scholarship Fund

The Mission of the Indiana Mortgage Bankers Association Scholarship Fund (IMBASF) is to support the education of Indiana residents matriculating at schools of higher education within the State of Indiana, who wish to focus their study in the areas of real estate and real estate finance.

The award of the scholarship is not totally based on academic performance, but involvement within the community and the State of Indiana. The criteria are:

- Must be an Indiana state resident.
- The scholarship will promote diversity by encouraging applications from minorities considering a career in this field.
- Must be attending a school, college, or university located within Indiana.
- Must be a **full time** student at the institution and be in good standing with the university or college.
- Upcoming Juniors and Seniors are eligible.
- To be considered for renewal of the scholarship, the student must still be studying Real Estate Finance.
- Must demonstrate an involvement and commitment to participating in the community.
- Academic GPA of 3.0 or above.
- Financial need will be given consideration in the awarding of the scholarship.

The candidates must supply written and supporting documentation with their applications. Letters of recommendation should also be included.
